

Dear Division 26D,

Can you believe it? Another Key Club year is ending. Each year, we continue to grow and reach out into our community in innovative ways to leave a lasting impact. This year, as a division, I feel we did just that. From the KEYnine Project to our final Sandwich Project, we made a difference in someone's life. We achieved so much this year! All our clubs have increased in membership, paid their dues on time, and completed their pride reports in a timely manner. I cannot be more proud. In just a few short hours, some of us will be on a plane going to the District Conference in Florida. I for one, do not know how I am going to sleep tonight! For those of you who are going, please remember to follow the code of conduct. This means abiding by the dress code, returning before curfew, no purpling, and no skipping out on sessions. But I know, our division will have no problem following the rules. Please remember to bring your signed medical forms and Code of Conduct Forms. If you do not have them, you can find them on the website: www.floridakeyclub.org. I know you all will make our division proud.

There is a bittersweet feeling as I write this final letter to you all. While I am excited about DCON and ecstatic about what is to come in our division, I am sad that this will be my last DCON as well as my last message to you all as Lieutenant Governor. I want to thank each and every one of you for making this Key Club Year special to me. Thank you for allowing me to represent the Cayman Islands in Florida and supporting me throughout this entire journey. Thank you to those who read my jokes in my "J.A.W.S" Newsletter and actually laughed, you guys rock! I will surely miss this position as well as miss visiting your schools. To the faculty advisors of Division 26D, thank you for pushing, supporting and guiding our Key Clubbers to serve our homes, schools, and communities. We are forever appreciative of all your hard work.

Thank you to the Kiwanis Club of Grand Cayman, for believing and encouraging me throughout this year. I surely could not have been successful if it wasn't for our amazing Kiwanis Club. I know, just as they did with me, they will do the same for our next Lieutenant Governor, Greyshell Bent. Greyshell, I believe you are more than capable of handling this position and making our division proud and I know you will do a fantastic job.

Despite this being my last year of Key Club, I will forever be a Key Clubber. As I go off to University in the Fall, I will not stop serving because I pledged on my honor, to uphold the objects of Key Club International. I pledged to build my home, school and community, to serve my nation and God, and to combat all forces which tend to undermine these intuitions. Thank you for all that you have done this past year, I will surely miss you all. But, if you ever need me, don't hesitate to ask. All you have to do is call me, beep me, if you wanna reach me.

Yours in Service,

Jacie Mascarenhas

Lieutenant Governor of Division 26D

Florida District of Key Club International

Phone Number: [\(1\)345-926-8799](tel:13459268799)
