The K-Family Committee hopes that all of your Key Clubs are doing great! Can you believe we have almost been through half this Key Club and year! Time flies when your having fun, doing meaningful service!

We want to thank all the clubs that have been working non-stop with the rest of their K-family and we encourage the rest of you to reach out to your K-Family. Show them you care by inviting them to your meetings, projects, events or even help them out with their projects and events. Especially during this holiday season where there are so many projects to be done!

The goal is to:
Get connected and enjoy each others company. ☺

Kiwanis Worldwide Service Project

With The ELIMINATE Project, Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating – tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch.

Hey Class of 2011!!

We would like to ask all clubs to keep tabs on what colleges all your graduating seniors get accepted to and will attend. In the spring please email the assistant administrator of Zone 7 Amanda Saguil with that information with the permission of the individuals. This information is for the local Circle K chapter at the college they attend to be able to contact them and invite them to join their Circle K. ☺
