### Pride Report– What to expect

Hey guys! I'm looking forward to work with all of yall! (: I just want to remind you guys and your secretaries about your pride report! Which is muy muy (very very) :P **IMPORTANT!** So some of you guys heard about Pride Reports, but wonder what is that and why is it such a big deal? Well basically proves and tells us what your club has been doing (: and also keeps a record of all the service, fundraisers, socials and DCMs your club been doing(: It also records which people did what and attend where for how long. So just a little diary of your hard work ;) This is what your secretaries will do each month just sending in the meeting attendance, hours

And fundraisers. **Each club must send in there pride report each month.** So remember to send in those reports. Thanks (:

# DCM & Lieutenant Gov. Committee

## DCM

Okay Guys! I came up with an idea to make DCM more engaging, but also give your club the motivation to work hard within our communities and giving back. Starting from May, I will give instructions on how it will go exactly, but I'll give you guys a brief description. First off since we have our goal in place each club must try gain **20 hrs per month**. Now I will give an update of all the clubs hours and the club with less than 20hours or least hours out of all clubs will have to do a **DARE** (: & we will have a little dare box in which you pick out your dare from and you have to perform the dare in front of us during DCM and you will be recorded! :P & the video will go onto our Facebook group page(: **BUT** if all the clubs got 20+hrs. I

Have to do the dare! & be recorded as well and it will be put onto our Facebook group page! So what you guys think? Think your officially motivated to work hard and serve our communities? I know after D-CON you guys are already inspired so believe in yourself and your club because you guys can do anything to make a difference! (:

## COMMUNITY SERVICE

## Lieutenant Gov. Committee

Is anyone interested in this position next year? Well I'm having a Lieutenant Governor committee, since this is a very hard job and I will need some assistants who will be my life-savers! (: So if your interested into becoming Lieutenant Governor email, bbm, call or text me (: You can join anytime you like so no need to rush wondering should I try running for Lt. Governor or should I not? (: -Looking forward for working with all the people in my committee

# DIVISION GOALS Key Club 2011-2012

Well as you guys may figure out already we have some goals as a division I'll like to achieve this Key Club year. BUT if you have goals you want our division to achieve this year please suggest it and I will put it on our goal list. Every month when I send out the newsletter I will have our division goals on the front page and how are we are from it. So what you guys think? Can you take the challenge and work hard this Key Club year? Remember the work doesn't have to be boring it can be fun and engaging.

Well I have two goals, but you have to attend to the DCM to find out the major goal I have(: \*hehe\* One of my goals are as a division I **believe** we can do this(: As a division we must have 500+hours before D-CON next year. Remember it's not just your clubs it's the 5 clubs we have here on island(:  $5/500=100$

Meaning each clubs should try and gain 20hours each month. Seems a lot, but if your club is active and engaging in our community it will be so easy to get(: Because  $20 \times 5 = 100$ hr per month

So guys get ready & lets serve CAYMAN!
