Subject: Catching up with Chloe Introductory Letter

This email has been blind-copied to all Division 26D officers, faculty advisors and kiwanis advisors.

Clubs of Division 26D,
My name is **Chloe McClymont** and I am the new Lieutenant Governor of Division 26D. I am currently in year 10 at the Clifton Hunter High School. I am thrilled to be in this position and look forward to the new Key Club year and all it has in store for our Division.

Once the COVID-19 pandemic is over I am confident that our Division will do fantastic things. But before we get to the service, there are a few important things I need to share with you.

Division 26D is comprised of the following clubs:

- 1) Clifton Hunter High School
- 2) John Gray High School
- 3) Triple C High School
- 4) Cayman Prep and High School
- 5) St. Ignatius High School

I am looking forward to helping Division 26D improve upon its success from last year as well as encourage a renewed focus on community service in our division. I hope to do this by incorporating community service into Divisional Council Meetings, which is simply a meeting of Key Clubs in this area, as well as other interdivisional service opportunities. Furthermore, I hope we can have **open lines of communication this year**. Throughout the year I plan to send several service opportunities your way, so please be on the lookout. I also will be communicating with you about several highly beneficial events which include informational workshops, motivational speakers, and even more exciting service initiatives.

The district is excited to announce the launch of our new and improved **Keymmunity System**. In this system clubs will be able to fill out **Officer Information Forms and Pride Reports**. Advisors should receive information from Assistant District Administrator Mr. Sam Kerce on how to logon to the new system. It will be vitally important that the Officer Information is put into the new system, as that will allow us to communicate important information to our clubs. **Please contact me if you are having any issues with Keymmunity.**

Finally, I ask that you all please text me your **name, position, and school** so that we can be acquainted with each other early on in the year and begin to form a relationship. My phone number can be found under the "Contact Info" of my signature at the bottom of this email. If you ever need assistance with any Key Club matter, please do not hesitate to contact me. I am incredibly excited to be in this position and know that

we are going to have a phenomenal year.

Our **Zone Administrator Ms.Dawn Campbell** and I look forward to working with you this year.
