Da NEWS!

Wa' Happen?

OIS FORMS

These are pretty much done and dusted for most of your clubs. However, there are **still** a few outstanding details e.g. Phone Number and Email Addresses. Please be sure that your club has filled them out completely!

PRIDE REPORTS

The **Summer Pride Report is due in by the 1st of September.** You can always do the report through out the whole of each month! This would be an easy way to get things done. This is how I decide between club of the month, this also helps me with my monthly report and I just like to know if you are being active or not. If you need any help just contact me.

DUES

Every Key Club member must pay a \$15 due. When they pay they should receive an official Key Club pin. We really want to get 100% dues collected in by November 1st so we can receive an Early Bird patch for all the clubs. So as soon as school starts back up again, start collecting! There's more information on the next page that

contains links to videos and step-by-step instructions by our very own district treasurer Micki Hall.

CLUB OF THE MONTH!!!

This is based on Pride Reports turned in on time, Growth of Club membership, Club attendance at my past DCM, number of service projects and hours along with money raised. This is another reason why Secretaries must be on top of Pride Reports. It's just a must! So Club of the Month goes to...(drum roll).....

FACEBOOK GROUP

I made a facebook group just for our division. It's called "FLORIDA KEY CLUB DIVISION 25B". I encourage all of you to become a member because this group will include information on events for each club and for the division as a whole. You could also meet other members from a different club in your own free time. Officers are required to join if they do have facebook. Then I could rank you as an officer so members could know who you are.

SERVICE!

I've been looking at most of your prides reports and seems as though you have a lot of service projects so far. There's more information on the last page under "Summer Service Affairs So Far". Send me some ideas of divisional projects we could do!

FUNDRAISERS!

There are a lot of causes we could fundraise for. Here are a few ideas:
Friend A Gorilla →
<http://www.friendagorilla.org/>
At IC ON they raised \$13,000 in just one day by doing a walk.

Kiwanis World Wide Service Project ELIMINATE! →

<http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/home.aspx>

Special Needs Awareness Program (SNAP) →

<http://www.floridakeyclub.com/governors-project>

March of Dimes →

<http://www.marchofdimes.com/>

Of course you could raise money for

more local projects or even CONVENTION because some of us know it is costly and we should start raising money early to save stress!

DUES Continued:

Member Form - For dues

collection: The Member Form template was put together in order to make adding and editing members into the Membership Update Center easier. Add your schools name to the top and personalize the rest of the form according to your Key Club's specifications. At your first meeting, print the member form and distribute the form to all potential members.

Dues and FLOF Website:

August 15th the new Dues and FLOF Website, which will include the new online application, will be announced. Please look out for an email that day.

Organization of the Month:

Every month there will be a featured organization. If there is any organization that you or someone you know created or participates in, tell me about it and it might just end up in next month's newsletter!

Guide to Getting Early Bird Dues

This document contains information on how Early Bird dues benefits your club and tips for getting Early Bird.

Committee Blurbs!

MAJOR EMPHASIS PROGRAM:

Currently, The Major Emphasis Programs Committee is working on publicizing "The ELIMINATE Project." This program is the newest Worldwide Service Project introduced by UNICEF and Kiwanis International on June 24, 2010 at the Kiwanis International Convention in Las Vegas, NV. The ELIMINATE Project works towards eliminating Maternal/Neonatal Tetanus which claims the lives of nearly 90,000 babies and mothers yearly. The goal of this project is to reach the poorest countries of the world to Eliminate MNT from the world, forever. Together, with the help of Key Clubbers, UNICEF and Kiwanis plan to raise over \$110 million to help stop this completely preventable disease. As Key Club members, you are encouraged to host fundraisers and raise awareness about MNT. So, get out there and host carwashes, have bake sales, or maybe even just posters and signs about how easy MNT is to eliminate. Help UNICEF and Kiwanis reach their goal to stop MNT by 2015. More information on The ELIMINATE project can be found at: <http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/home.aspx>. If you have any questions, please email us at mep@floridakeyclub.com. Please remember that Key Club International is also still working towards our goal to fundraise \$1.5 Million Dollars for Operation Uruguay.

K-FAMILY RELATIONS:

The K-family relations committee is currently in the process of compiling an updating list of Kiwanis Clubs and what Key Clubs they sponsor complete with contact information for these Kiwanis Clubs. If there are any changes currently occurring between any of your Clubs and their sponsoring Kiwanis clubs, please let us know. We are revising the booklet that will be distributed to clubs that educates members on the K-Family and its programs: It will include Kiwanis Family Month, the World Service Project, Key Club International Worldwide Teacher/Administrator Appreciation Week, Builders Clubs, K-Kids, Kiwanis Terrific Kids, Bring Up Grades, etc. We are also developing an incentive program to encourage Key Clubs to work with their sponsoring Kiwanis Clubs...We were thinking of an award but it may be more of a closer sitting at DCON or something of the sort. We are still discussing that one because it is a big one. We hope all of your clubs make an effort to visit, call, or even email their Kiwanis club and inform them on their plans for their upcoming year. As Lt. Governors we urge you all to please encourage this as much as possible as well as try to get as many Kiwanians at your KCKC'S as possible. We are revising the booklet that will be distributed to clubs that educates members on the K-Family and its programs: It will include Kiwanis Family Month, the World Service Project, Key Club International Worldwide Teacher/Administrator Appreciation Week, Builders Clubs, K-Kids, Kiwanis Terrific Kids, Bring Up Grades, etc.

SERVICE:

The service committee has been hard at work editing and updating resources, finding new service projects to be used throughout Florida, and creating incentives for clubs to turn in Pride Reports. One of the resources we are editing and updating is dedicated to helping clubs discover the deeper meaning behind doing community service; of course the committee is also expanding and fine tuning the state-wide service directory as well! The service committee could also use the help of clubs! If any club would like to contribute a service project to be shared with the rest of the Florida District, they can e-mail me, the Service Committee Chairperson, Paul Mysak. Keep on the lookout for more resources from this committee in the future.

DCON:

DCON will be here before you know it! This year's convention will take place May 5th-8th at the beautiful Wyndham hotel. The hotel has a fun, tropical feel with three huge swimming pools and a brand new convention center, so you definitely won't want to miss it! Right now, the DCON Committee is in the process of selecting a theme and logo. The big unveiling will take place later this fall, so be on the lookout. We are also excited to announce that the walk-a-thon this year will be held in honor of the brand new Eliminate project. If you have any other questions or suggestions, please e-mail us at dcon@floridakeyclub.com. See you in Orlando!

PUBLIC RELATIONS:

The Public Relations Committee has been hard at work developing the new Florida District of Key Club International Membership Recruitment and Retention Booklet. This booklet will serve as an advantage to new members when joining Key Club. Each specific section will have a thorough clarification of what our club is truly about; there will be a brief history of Key Club, a look at the International and District Boards (what their duties are and when and how they get elected), a list of different membership recruitment/retention and ice breaker ideas, our K-family (Kiwanis, Circle K, Builders Club, Aktion Club and K-kids) and finally it will have an explanation of the Eliminate Project (Kiwanis Worldwide Service Project to Eliminate Maternal Neonatal Tetanus). Once this is completed, it will be e-mailed to all Lieutenant Governors and they will e-mail it to all clubs. The goal of this booklet is for members to capture an idea to every aspect of Key Club. If you would like to contribute any topics to this booklet, please e-mail the Public Relations Committee at publicrelations@floridakeyclub.com.

SNAP:

"For the second year in a row, the Governor's Project will be the Special Needs Awareness Program (SNAP). The aim of SNAP is to raise awareness on how to properly interact with people with disabilities and to also get active by volunteering with the special needs community. The SNAP committee is currently working on enhancing the current service project directory as well as creating additional resources to educate club members. Also, there will be a PowerPoint available to provide information on the many aspects of SNAP and how members can get involved. All resources are on the Florida District's website under the Governor's Project section. Keep checking back for more information!"

WEBPAGE AND EDUCATION:

"Mighty, Mighty Florida District, the Webpage and Education Committee is currently working to make your Key Club Kickoff Conference (KCKC) experience better than ever! This year, we are developing new presentations better tailored to your clubs' needs. Additionally, these presentations will soon be online under the Forms and Resources Link. If you have any questions about when your division's or zone's KCKC will occur, please contact your Lieutenant Governor or check for this information on <http://www.floridakeyclub.com/calendar>. Lastly, please send any of your questions, comments, and ideas to improve our website to webpageandeducation@floridakeyclub.com."

SUMMER SERVICE AFFAIRS SO FAR!

CAYMAN PREP

They haven't updated their pride reports so I don't know any new projects they have done so far during summer. In June they had a Pines Fun Day and a Humane Society Visit. So you still have a total of 42 service hours.

JOHN GRAY

Same as Cayman Prep, they haven't updated their pride report but they did help put at the Special Olympics. It must've been an awesome experience working with young and talented athletes. They helped out the Special Olympics Team with activities such as Aquatics, Basketball and Bocce!

ST. IGNATIUS

They have done a lot in the past few months including helping out at our school's Vacation Bible School. Only 7 members were involved but all of them did 25 hours each. So that totals them to 175 hours. Not only did they serve through Vacation Bible School but they did a Maple House Visit. This contributes Governor's Project Service hours.

TRIPLE C

You guys have started filling out your Summer Pride Report but apparently haven't done any service hours or fundraisers so please try to do so. You don't have to organize one. You could ask another club to do a joint service project.
