The Official Newsletter of Florida District Division 26D Lieutenant Governor Beatriz Bueno Dorea

Lieutenant Governor

Introduction

Hello Leaders of Division 26D,

Summer vacation is quickly coming to an end.

This past month, I've been in the process of planning our upcoming DCM, KCKC, and future service projects. As your Lieutenant Governor, it is my responsibility to represent our clubs to the Florida District. Through Divisional Council Meetings (DCMs), and service projects, I will inform you of key news involving Key Club, train club board members, and work alongside our sponsoring Kiwanis Club to serve our home, school, and community.

This summer, I traveled to Brazil to visit my family, and to, of course, enjoy the amazing cuisine! I cannot wait to see you at our next meeting so that we may share our vacation experiences together.

If you ever need assistance or guidance, please do not hesitate to contact me through my email (division26d@floridakeyclub.org), or my phone number ([345-322-6715](tel:345-322-6715))!

Yours in Service,
Beatriz Bueno Dorea

Membership Recruitment

As the new school year approaches, it is important to plan ways to recruit new members. There are many fun and informative ways to spread the Key Club spirit! Some membership recruitment options include: creating posters and flyers to post on the bulletin boards, having a social with snacks and fun activities to engage new members, having service opportunities at first meetings, speaking about Key Club at homeroom/chapel/ceremonies, and more!

If you need any assistance, do not hesitate to contact me!

Service Projects

Key Goes Green - Be sure to support the local awareness project 'Join In'. Rotary, Lions, and Kiwanis are working together to stimulate all forms of recycling in the Cayman Islands. The website <http://joinin.ky/> provides great information concerning what and where to recycle, and more!

With Key Goes Green, you can be as creative as you wish, going beyond just clean-ups. You may teach children the importance of recycling, or work with organizations such as Save the Rain. Please note that volunteering at animal shelters is not included. Be sure to check out the Key Goes Green blurb under the 'Key News' section of this newsletter on pages 4-5.

Kiwanis Book Mobile - The Kiwanis Book Mobile is still on every other Saturday at the George Town Primary School from 10 A.M. to 12 P.M. Come out and support our amazing Kiwanis Club if you can!

Other service project options include: car wash, volunteering at a marathon, helping the school to paint and organize, and more!

Fundraising

It is crucial that fundraising for clubs and DCON start early in the school year.

Some fundraising options include: bake sale, movie night, talent show, selling DIY recycled crafts, and more!

If you need any assistance, do not hesitate to contact me!

The Eliminate Project

Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus, through the global campaign of The Eliminate Project.

You, as a Key Club member have the opportunity to save lives.

India has now eliminated MNT! To eliminate MNT from the Earth, more than 100 million mothers and their future babies must be immunized.

By helping raise money for The Eliminate Project, you can save a life for just \$1.80.

Since 1994, Key Club has been Trick-or-Treating for UNICEF to raise funds for many projects, and now it is helping The Eliminate Project. For more information on how to get involved, please visit: <http://keyclub.org/service/fund/osp/unicef.aspx>
