Official Newsletter of the Cayman Islands – Zone 6. Division 25B

Issue 3 | July 2010

## Da NEWS!

### Wa' Happen?

#### OIS FORMS

These are pretty much done and dusted for most of your clubs. However, there are still a few outstanding details e.g. Phone Number and Email Addresses. Please be sure that your club has filled them out completely!

#### PRIDE REPORTS

The **Summer Pride Report is due in by the 1st of September.** You can always do the report through out the whole of each month! This would be an easy way to get things done.

#### DUES

Every Key Club member must pay a \$15 due. When they pay they should receive an official Key Club pin and Badge. We really want to get 100% dues collected in so we can receive an Early Bird patch for all the clubs. So as soon school starts back up again start collecting!

#### CLUB OF THE MONTH!!!

This will be a new addition to my newsletter! You should be awarded something right? This is based on Pride Reports turned in on time, Growth of Club membership, Club attendance at my past DCM, number of service projects and hours along with money raised. This is another reason why Secretaries must be on top of Pride Reports. It's just a must! So Club of the Month goes to...(drum roll).....

#### In this issue!

- OIS Forms ..... 1
- Pride Reports..... 1
- Dues..... 1
- Key Club Fun Day ..... 2
- Fundraisers..... 2
- Service Projects ..... 2
- Committee Blurbs ..... 3

Pines Visit / Saturday July 17<sup>th</sup> from 12.00pm- 2:00pm / @ THE PINES OF COURSE!

# Wa' Gwan?

## KEY CLUB FUN DAY

The Key Club Fun Day will be postponed until September due to shortage of chaperones. Sorry for the inconvenience. BUT if you have a cool game or ideas for the fun day PLEASE let Neith or I know ahead of time so we can make it possible. 345-939-6196 or neith\_rheingold@hotmail.com My contact details are below.

## SERVICE PROJECTS

I'd like to organize a beach clean up sometime during the summer. I was hoping we could take a bus from one of our schools head to...perhaps Barkers? Pick up litter for about 2 hours then back on the bus to head for Seven Mile beach. Perhaps even clean up the beach for 1 hour. After that we could chill-ax as a division and maybe order some pizza and play games. I would really like everyone's input on this. Please let me know what you think and if you have any suggestions.

Other service projects could be just visiting the Pines Retirement home. I know Fred loves to play dominoes! When I went there to visit there was a lady there telling me about how she founded our very own Red Cross! It really isn't as depressing as everyone say it is. I would like to do this on July the 17<sup>th</sup> between 12-2pm. Please let me know if your clubs will be present.

## FUNDRAISERS!

I was also hoping we could do several car washes over summer. I've seen some dirty cars lately even with the rain pouring! Maybe we could do some during August. If we do go through with car washes I want your input for what the money should go towards. Should it go towards convention or towards a worthy cause? It could also be split 50/50. If you guys have any great ideas for fundraisers please let me know so we can get ahead and start fundraising now so we can do more divisional service projects.

We could also do a simple divisional raffle. I know this worked very well in the past. We raffled off a Wii, Cell phone and some other little prizes and sold tickets for \$5. Each ticket we sold went towards our convention fee. I only had to pay \$50 that year instead of \$700. So we **definitely** want to do this again! We just need help with prizes being donated. The more prizes we get the more interested people get so then they purchase the tickets. Prizes could include anything from gift certificates to electronics. So please let me know and don't hesitate to contact me! I honestly have nothing better to do! So my contact information is on the bottom of page 4.

I would just like to say Happy Canada Day for you Canadians, Happy 4<sup>th</sup> of July for you Americans and happy Constitution Day for everyone!!!

# Committee Blurbs

## MAJOR EMPHASIS PROGRAM:

The Major Emphasis Program was created by International to bring all clubs together. There are three Service Partners that we work with: UNICEF, March of Dimes and, Children's Miracle Network. Since, we no longer have the seasons of service feel free to work with them anytime you want. There are a lot of ways you can get involved with the Major Emphasis Program; of course we all know about Trick-or-Treat for UNICEF, the March of Babies, and visiting children in hospitals but there are other projects too. You can have a car wash to raise money for any of the Service Partners, a toy drive for children in need, and penny wars between grades. An alternative for schools that do not support UNICEF is, Grass Roots Soccer by visiting their website you can become informed on up and coming activities as well as service project opportunities. The Major Emphasis Program is easy to get involved with so, get started today!

## K-FAMILY RELATIONS:

### What is K-Family?

K-Family is the various branches of Kiwanis International that make up the organization. It is made up of K-Kids, Builders Club, Key Club, Circle K, Kiwanis, and Aktion Club.

### What is K-Kids and Builders Club?

K-Kids is Kiwanis for elementary school children. It is part of the Kiwanis Kids Program, which includes Bring Up Grades and Terrific Kids. Builders Club is the middle school branch of the Kiwanis Family. The purpose of Builders Club is to develop leaders through service. The aim is to develop sound, moral values for students to develop throughout their middle school years.

### How can I my club get involved with K-Kids or Builders Club?

Encourage your clubs to co-sponsor a K-Kids or Builders Club with your home Kiwanis club. Make a club, and do fun service projects with them. Invite your K-Kids and Builders Clubbers to your monthly DCM's and get them involved in as much service as possible!

### What service project is good to work with K-Kids and Builders Club?

C.H.O.W. N.O.W. (Children Hungry On Weekends: Not on Our Watch) is a wonderful program that aims to end hunger in the communities in which we live. It's a great way to get your K-Kids or Builders Clubs involved with good service in their community. Encourage your Key Clubs to work with K-Kids or Builders Club to create a C.H.O.W N.O.W program in a local Elementary or Middle School.

# SUMMER SERVICE AFFAIRS SO FAR!

## CAYMAN PREP

Cayman Prep had a PINES FUN DAY! This involved 8 of their members and a total of 21 service hours. Great job guys!

They also had a Humane Society visit. This involved 5 members but gained a total of 19 service hours!!! Woohoo! What a great start to summer! This gives them a total of 40 hours so far just for summer!

## JOHN GRAY

I know that 7 of their members helped out at the Special Olympics! It must've been an awesome experience working with young and

talented athletes. They helped out the Special Olympics Team with activities such as Aquatics, Basketball and Bocce! This totaled in 26 service hours and can go towards the Governor's Project (Special.Needs.Awareness.Program)! Congrats guys!

## ST. IGNATIUS/ TRIPLE C

You guys haven't started filling out your Summer Pride Report so I don't actually know what you have done over the month of June. Please you're your secretaries that even know it's summer there is still work to be done. However, I do know that St. Ignatius is doing a visit to Maple House. I'm sure they

don't mind members from other clubs going. I encourage all of you to go. Again this is a great way to get hours and can go towards the Governor's Project.
