Our most recent Divisional Council Meeting and Officer Training was held on Saturday, June 26 via Zoom. It was a joint Officer Training with the rest of Zone K.

Thank you so much to everyone who attended, I loved to see all of you there! For those of you who were unable to attend, we discussed important updates, information about this year's Governor's Project (P.L.A.N.) and club reminders! We also went over summer service ideas and how to stay active this summer.

Thank you again to all who attended; I cannot wait for our next meeting!

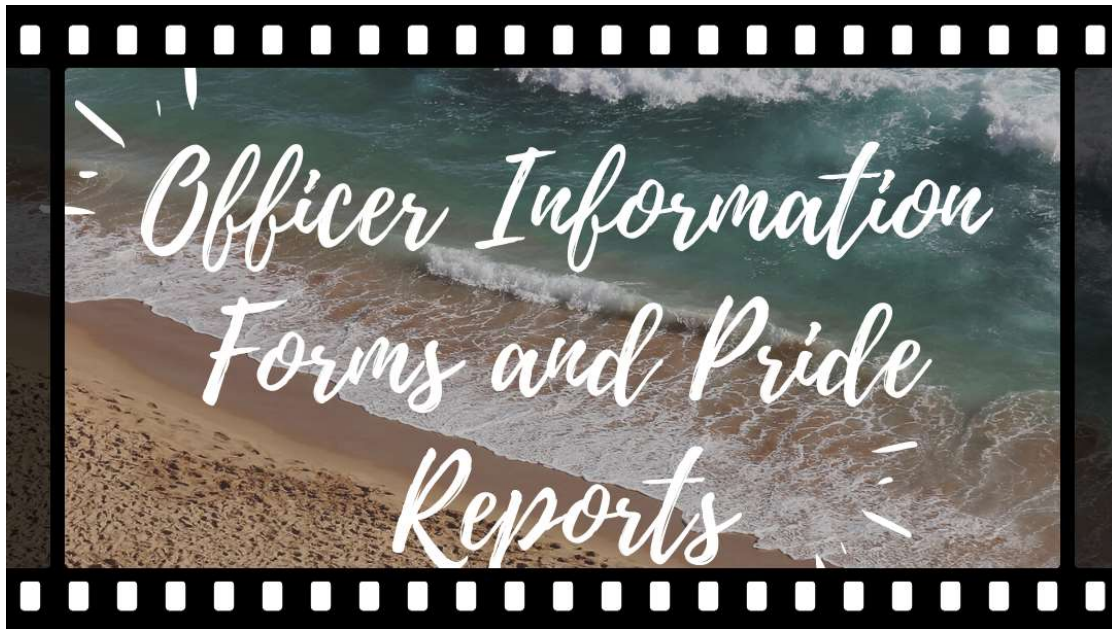

Having a good relationship with the different branches of our Kiwanis Family is vital to your club's success! I

encourage you all to reach out to the Kiwanis Clubs near you, so you can begin or continue a strong relationship.

For example, you can work with your local Kiwanis Clubs on joint service projects, invite your nearest CKI club to be guest speakers at your club meetings, mentor Builders Club members, and volunteer with local Kiwanis-Kids (K-Kids) Clubs!

For more information on the different branches of the Kiwanis Family and how your club can connect with them, **please click on the Kiwanis Family Booklet below.** It also has ideas for service and events you can do with different clubs!

Make sure to update your club's 21-22 Officer Information Form as soon as possible. This important form is vital to ensuring communication and contact within our division! Thank you to all clubs for submitting their Officer Information Form so far. There are some clubs that have missing contact information for officers and advisors. Please ensure that these sections are completed as soon as possible.

June, July, and August Pride Reports are due September 10th! I recommend filling out Pride Reports each month instead of completing it all in September. Make sure to submit them with information about your club's service and meetings from the past month. Pride Reports are a great way to highlight your club's achievement to the District Officers and your Lt. Governor. Reach out to me with any questions or concerns!

Use the link below to access Keymmunity to submit these forms:

The Key Club of John Gray High School hosted a 2-day long Cayman Heritage Day alongside their school's Social Studies Department. Over 20 members from their club participated in making posters, setting up artifacts, rearranging guest speaker rooms and preparing and serving refreshments.

Activities included poetry readings and quiz competitions. **In all, they completed a whopping 66 service hours!** Congratulations to John Gray High School for all their hard work!

Kudos to all other clubs for their amazing work for the month of June!!
