### SUMMER INSPIRATION!

First, I'd like to begin by thanking you for taking the time to read my first newsletter of the year! As you all know, my name is Dominique, and I will be serving as your Lieutenant Governor for 2014-2015.

Division 26D is already making me so proud by so far having 100% on-time pride report submissions! This is all owed to our fantastic club secretaries **Thea, Beatriz, Leana, Christina and Britney**. If we continue on this road, each club will be eligible for the Pride Report Submission Award at DCON next year.

# Summer Service in the Sun

Congratulations guys! We have all made it to see summer 2014, and boy isn't it hot already!

So school will be out shortly but that doesn't mean Key Club fun is out too. Though some people will be off island, clubs are still required to meet, plan and do service, so I suggest to you guys to start swapping those whatsapp numbers to make the communication process easier.

There are many service projects that can be done over the summer. It would be fun to plan some projects around Governor Lauren's S.N.A.P (Special Needs Awareness Project), Major Emphasis Projects and also The Eliminate Project (remember that it is our last year to make history with this!).

After your good deeds are done, it would also be nice to plan a social for you and your clubs to chill out in the sun.

OIF are to be accurate information and should be updated if there are any changes within the year!

# Division Council Meeting

## BOOKMARK IT

The first D.C.M for the 2014-2015 year is on **June 21<sup>st</sup>, 2014**. It will be held in the Art Room (Room #111) at JGHS from 2p.m until 4:30p.m. Everyone is asked to bring a contribution of \$5. Two dollars will go towards the Eliminate Project, and the remaining three dollars will go towards the refreshments that will be provided.

It is really important for members to attend. Not only is attending a DCM a great learning experience, but it is also fun because you will get to meet new people from the various schools in our division.

## Goals for the Upcoming year

1. Promote club partnering projects
2. Improve attendance at DCM's
3. Encourage editors to submit service projects to the local newspaper and to The Sunshine Magazine
4. Club growth for each club of 25%
5. Ensure proper education of club members
6. Ensure each club earns the Early Bird Dues Patch
7. Strengthen Kiwanis relationship
8. Ensure each club participates in the SNAP project
