District Officer Positions

The 2021 District Education and Leadership Conference at the Rosen Shingle Creek Resort and Spa located in Orlando, Florida will be held from April 8th-11th!

This year, our conference will look a bit different as we work to implement new safety measures.

- Each club in good standing throughout the district will be able to register **two students and one adult chaperone** to attend the conference.
- Current 2020-2021 Florida District Board members, incoming 2021-2022 Board Members, and candidates will also be permitted to attend in person and will <u>not</u> count toward their schools two student maximum.
- All students will be limited to two per room and chaperones can choose to stay either with another chaperone or in a room by themselves.
- A school will be permitted to room one student with another student from a different school to ensure the same gender in each room.
- The cost for student registration will be \$380 for a double.
- The cost for a chaperone will be \$380 for a double or \$585 for a single room.

While we recognize that allowing only doubles will increase the cost, we are hopeful that having fewer attendees will allow club fundraising to stretch further along with support from your Kiwanis Clubs.

In addition, we are excited to announce that we will provide an in-depth virtual experience for those members who are not able to attend. This will allow our members to be right in the action while attending workshops, sessions, and other fun events.
