The Official Newsletter of Florida District Division 26D Lieutenant Governor Beatriz Bueno Dorea

Lt. Governor Introduction

Hello Leaders of Division 26D,

Firstly, I would like to thank you for taking the time to read my first newsletter of the year!

As you may already know, my name is Beatriz Bueno Dorea, and I will be serving as your 2015-2016 Lieutenant Governor.

As Lieutenant Governor of Division 26D, it is my responsibility to represent our clubs to the Florida District. Consequently, I will organize projects, conduct meetings, and communicate and work together with all of you and our exceptional Kiwanis Club to make this an extraordinary year for our division!

I am incredibly excited to be able to achieve great objectives with you this year.

If you ever need assistance with any Key Club matter, please do not hesitate to contact me through my email (division26d@floridakeyclub.org), or my phone number (345-322-6715)!

Yours in Service,
Beatriz Bueno Dorea

New Executive District Board

Congratulations to our newly elected Executive District Board! Our new, amazing leaders were elected during the District Education and Leadership Conference 2015 (DCON) in the House of Delegates.

Shane Meagher will be serving as your 2015-2016 District Governor. Secondly, Jose Leoncio will be serving as your 2015-2016 District Secretary. Lastly, but certainly not least, Mike Greenwald will be serving as your 2015-2016 District Treasurer!

2015-2016 Governor's Project: Key Goes Green

This year, our District Governor's Project is Key Goes Green. Projects included in Key Goes Green are all that involve education about the environment, hands-on work with nature, recycling projects, and so much more. You will have opportunities to work in creative ways, and in so many places. Nature is all around us, which means we are surrounded by potential projects. The approaching months are a great time to start up your involvement with Key Goes Green. Many clubs across the District are already getting to work!

District Education and Leadership Conference Recap

For those of you that were not able to attend the District Education and Leadership Conference 2015 (DCON), you certainly missed out on a phenomenal and rewarding weekend! At DCON, we participated in numerous activities such as various educational workshops, the Entertainment Assembly, the House of Delegates, and many others.

This year, Division 26D received many amazing awards. Our incredible Immediate Past Lieutenant Governor Dominique Small took home three great awards: Leader of Leaders, Most Improved Division, and the Robert F. Lucas Outstanding Lt. Governor!

John Gray High School and Triple C High School took home awards, as well. John Gray High School was recognized for their club growth and their participation in the Governor's Project, and Triple C High School earned 100% Pride Report Submission.

Officer Information Form

The Officer Information Form (OIF) is a form that helps the District to contact you, shows that you are executing your duties, and proves that you are an officer. Mostly importantly, it also allows you to submit the Pride Reports.

To update and submit the OIF, go on floridakeyclub.org and click on 'OPR System' to access the Online Pride Report System. Once registered, or logged in, you should be redirected to the OIF page, or you may click Enter/Update under the OIF section on the OPR System.

Be sure to save before you submit the form!

Pride Reports

Pride Reports are monthly reports of club activity. The number of meetings held, how many paid members were present, if any divisional events were attended, how many service hours were done, and other factors are to be included in a Pride Report.

Pride Reports are due the 10th of every month, with the exception of summer months. Therefore, for example, the November Pride Report would be due December 10th.

The club secretary is to fill the Pride Reports out with the help of the club president. If all Pride Reports are submitted on time, the club will receive the 100% Pride Report Submission Award at DCON! **The March and April Pride Reports are due May 10th; be sure to complete them early!**

Documents and Resources

For additional information regarding Key Club matters, be sure to visit the Documents and Resources section on the Florida District of Key Club website at <http://floridakeyclub.org/resources/>. There, you will find information on nearly everything relating to Key Club.

Divisional Council Meeting

The first Divisional Council Meeting (DCM) of the 2015-2016 year is on **May 9th, 2015**. Please note that there was a location and time change. It will now be at **the Grounds**, from **12 P.M. until 1:30 P.M.** The dress code is now casual, as we will be volunteering at the Family Fair Day at the same location beforehand.

It is extremely important for everyone, especially officers to attend! Divisional Council Meetings are great learning experiences, and fun events to build friendships within the division.

UPDATED

Division-Wide Project

An exciting event is coming up!

On **May 25th**, from **4 P.M. to 6 P.M. (TBC)**, Key Clubbers will have a fun night full of science, technology, engineering, and mathematics (STEM) for children.

Workshops such as Key Goes Green, Robotics, and others will be featured at the event.

Stay tuned for more details!

Summer Service

Summer is almost here! Soon, schools will be out, and students will rush to travel to enjoy their peaceful vacation, and only return when it is a must. However, considering service is such a fun and rewarding experience, why should it follow such a schedule? Service does not start and end when school does!

During the summer months, clubs definitely must continue to do service and hold at least one board meeting.

There are many service projects that can be done over the summer! Projects relating to Governor Shane's Key Goes Green, Major Emphasis Project, and others would all be splendid!

Later, be sure to plan a fun social for the Kiwanis family, and enjoy yourselves under the sun.

Youth Opportunities Fund and the Florida Opportunity Fund

The Youth Opportunities Fund (YOF) and the Florida Opportunity Fund (FLOF) are grants that assist clubs with funding service projects.

The YOF deadline is October 15th. Please visit <http://www.keyclub.org/service/fund/yof/yofgrant.aspx> for more information.

The FLOF deadline for summer projects is June 1st. The deadline for fall projects is October 1st. Please visit <http://floridakeyclub.org/flof/> for more information.

ICON

This year's 72nd annual International Convention (ICON) will be held in Indianapolis, Indiana, from June 25-28 due to the celebration of the 100th year anniversary of Kiwanis International. The registration deadline was on May 1st. The Florida District will be going on the Florida Tour from June 22-30, which includes white water rafting, zip lining, and more! For more information, please visit <http://floridakeyclub.org/icon/>.
