

Introductory Letter - Division 26D

Dear Key Clubbers of Division 26D,

My name is Greysshell Bent and I am currently a year 11 student at the John Gray High School. I have been an active Key Clubber for the past 4 years and have served as membership chairperson, Club Secretary and Club President. I am extremely delighted to be your 2017-2018 Lieutenant Governor. I was elected into this position in March at our Spring Zone Rally. I am rather anxious to start working with you all this year to continue the exciting task of -making Division 26D shine at DCON.

Division 26D is comprised of the following Clubs:

1. Cayman Prep High School
2. Clifton Hunter High School
3. John Gray High School
4. St. Ignatius High School
5. Triple C High school

I am very honored to be working with you this upcoming year. I have many ideas which will help the clubs work closer as a Division. I will focus on building a better relationship with clubs by having a stronger line of communication and more frequent visits.

I would like to improve inter clubbing and K -Family relationships by having more joint planning meetings and projects with the different schools in the Division. This will help us to build a strong bond with the different schools, so when filling out awards applications for Dcon the clubs could earn more points for inter-clubbing and projects. I would also like to raise awareness and promote the extraordinary service that the different clubs on the island do throughout the year to build our home, Schools and community.

Throughout this year I will be sending monthly newsletters, in order to keep you informed of upcoming events. Please be sure to forward my newsletters to the members of your club.

Please take note of the following:

1. I would like to thank all the Key Clubs that have updated the Officer Information Form (OIF). For those that haven't, please be sure to do so as soon as possible. This will make it easier for me to contact all officers when needed. If you do not know, what the OIF is or how it works, it can be found at www.floridakeyclub.org under "OPR System". If any assistance is required, please do not hesitate to ask me.

2. I would like to specially thank those clubs who completed and submitted their Pride Reports on time. Please note that if you were not able to submit your Pride Reports April 10th you'll be able to do so by May 10th, This means both the March and April Pride Reports are due May 10th.

3. Thanks to those Key Clubbers who responded so readily to our first Divisional and Kiwanis Family project and bought towels and bed linen for the Girls Home. To Cayman Prep and JGHS who delivered them in person last Saturday morning, a big thank you. All other clubs please give your donations to the Kiwanis Advisor at your next meeting.

4. I will do my best to keep in touch on a weekly basis. Please do not hesitate to call or WhatsApp me. I would personally prefer if you would WhatsApp me.

In closing, I must say that I am Super Duper excited to be working with you all and hope this year we will achieve many great things as a Division. Each year I have won awards at DCON for different services and this year it is my desire that many members from each club will be eligible for some awards, so join me as we embark on this adventure into service.

Yours in Service,

Greysheil Bent
