Hey Everyone!

I hope your summer has been going great. Last month I attended International Convention in Orlando, FL. I met people from many different places and it was so amazing to hear about their experiences in Key Club and their dedication to service. I learnt about many charities for eg. Grassroots soccer. This program involves professional soccer players completing a training course in AIDS awareness and then going to African schools and teaching the children about AIDS while having fun playing soccer and doing other activities with them. It was a great learning experience and I had a lot of fun! I have recently returned from the Fall meeting for the FL District Board. I was given more info on things such as the Governor's project (Shaping Tomorrow by Teaching Today) and this year's District Convention (see below). I guarantee that DCON will be better than ever this year! I look forward to seeing you all at this month's Divisional Council Meeting! I hope you're all having a great summer!

Your LTG,

Martina Jackson

Send me your pictures and they could appear on next month's newsletter!
