## Florida District of Key Club International

August 2016

### "Jacie's Monthly View"

Dear Division 26D,

I hope you are having a very fun and productive summer. I recently returned from the Key Club International Convention in Atlanta. It was definitely an experience of a life time! My trip started off on a high note when I

met Teen Wolf's Dylan Sprayberry. I nearly fainted. At ICON I met new people from all around the Key Club World, and had the awesome privilege to participate in the House of Delegates. At the House of Delegates we voted on our new International Board and here are the results: Our new International President is Devin Sun, and our new International Vice President is Mary Grace Lewis. We also elected 11 International Trustees. I am proud to say that Florida District's own Drew Valenti was elected to this position. Each International Trustee is assigned 3 districts within Key Club International. Our International Trustee is Clifford Young from the New York District. We are very excited to welcome him to the Mighty Florida District. I am really looking forward to this Key Club year. Please pay attention to the Key events that will be taking place in the near future and enjoy the rest of your summer!

**Yours in Service,  
Lieutenant Governor Jacie Mascarenhas**

## CLUBS In DIVISION 26D

- ◇ Cayman Prep High School
- ◇ Clifton Hunter High School
- ◇ John Gray High School
- ◇ St. Ignatius High School
- ◇ Triple C High School

Key Club International has 34 districts. The Cayman Islands is a part of the Florida District, the second largest district in Key Club International, after the California-Nevada-Hawaii District! The Florida District has 13 Zones, with 42 Lieutenant Governors, leading each division. **Division 26D is in Zone K**, the best zone ever, with our mascot being the dashing Flamingo.

## Kiwanis Family

### Relations

The Kiwanis Club of Grand Cayman sponsors all five of the Key Clubs on the Cayman Islands. They offer many service projects in which Key Clubbers can participate. Just recently they offered Key Clubbers the chance to help raise money for "Buy a Kid a Breakfast". It was really neat to see how generous people are towards the project. This program helps to provide food for children in schools.

Buy A Kid Breakfast  
In conjunction with school staff, this program provides a healthy breakfast to needy children in seven primary schools island wide. These children would otherwise come to school hungry and consequently be disadvantaged to learning.

### Florida Opportunity Fund

The Florida Opportunity Fund (FLOF) is a grant for service projects available only in the Florida District of Key Club International. FLOF can give clubs up to 2/3 the money necessary for service projects; however, schools must provide the rest. You can receive ranges from \$100 to \$1,000. Your club must be in good standing.

For more information: [www.floridakeyclub.org](http://www.floridakeyclub.org)

The Florida Opportunity Fund is for your Club! You can use this to pay for big service Projects that your club may want to do!

### Youth Opportunity Fund

The Youth Opportunity Fund (YOF) is Key Club International's grant program for Service projects. You can receive funding for projects between \$100-\$2000 once a year. Divisional projects do not receive this.

For more information: [www.keyclub.org](http://www.keyclub.org)

Take Advantage of the Opportunity!

### Club Dues

Club Dues are an important part of being a Key Club. It officially registers your club in the Key Club International Roster. Below are a few goals for our Division concerning Dues.
