Christmas Service Projects

As Christmas quickly approaches, within your clubs you should start planning services to host throughout December, especially ones with a lot of meaning and has a major impact such as, a toy drive for the less fortunate or visiting an elderly person at their home to simply talk and embrace them. It is important to host services over school breaks. When planning service projects for Christmas, use these five steps to have a great service project:

1. Don't make the service too long
2. Make it meaningful and impactful
3. Have refreshments before, during or after the service.
4. Ensure that the majority of members and officers in the club like or agrees with the proposed service.
5. Always have fun!

Attention Key Clubbers:

As the winter months approach, take some time a to reflect on how lucky you may be while remembering that there are those who are less fortunate. So this holiday season we challenge you to make sure to give back to those less fortunate.

- Here are a few great project ideas:

- Jacket Drive

- Salvation Army Bell Ringing

- Serving Holiday Meals at the local shelter

- Collect supplies for holiday dinners and make baskets for local struggling families
