Florida District of Key Club Division 26D

July 2017

Dear Division 26D,

School is out! I know you all are as excited as I am for school to be finally out and for your summer vacation to start.

Although the school year has come to an end, throughout the summer vacation please plan a summer project in which your club can participate during the break, and for future projects for when school is back in session and always remember "Caring Our Way of Life!".

HAPPY READING!

**Yours in service,
Lieutenant Governor Greysell Bent**

*Let's not lose sight of why we do service and be sure that the projects we execute this year are impactful. Also, keep in mind that the months for my project simply exist to provide structure and do not need to be adhered to. Perform whatever theme is the most critical need within your community at any time and it will still count for Governor's Project hours!
