Fundraising

Each club owes \$267 towards my trips & for the Installation Dinner due to people not showing up. \$17 is due at the DCM.

Service Projects

Even though you may get tied up in fundraising don't forget what Key Club is all about! Get involved in your community and be creative with service projects.

DCM

This month's DCM is on Thurs. the 14th in Room 43 at JGHS. The meeting will start at 3:15 p.m.

Membership

Put posters all over the school, have a bake sale with blue and yellow Ks on the cupcakes, talk about your projects, run an assembly. Get your club noticed! Make sure that when everyone comes back to school after summer that Key Club is the first club they want to join!

Club Visits

I will start to visit clubs very soon. Several officers still need to be installed and so I will contact the presidents and let you know when this will take place.

Hey Everyone!

Wow time really flies! We're already into the 2nd month of the Key Club year and everything just keeps getting better! Thanks to all of you who came out to the Installation Dinner / May DCM! Note that attending DCMs regularly is included in the criteria for DCON. As you all know, so is 50 service hours so get those projects started! Make sure that you have some planned for the summer months as well! Great job all of you who helped with the Buy A Kid Breakfast at the beginning of May. Thanks to you guys we were able to contribute our efforts to this excellent Kiwanis project. Keep up the good work & secretaries make sure to get the Pride Reports in on time!!

Your LFC,

Martina Jackson
