Hey guys!

Firstly I would like to thank all the officers and members who attended my first DCM. I hope you all enjoyed it. I would really like to encourage more members and officers attend my next DCM for this month.

Summer and Service

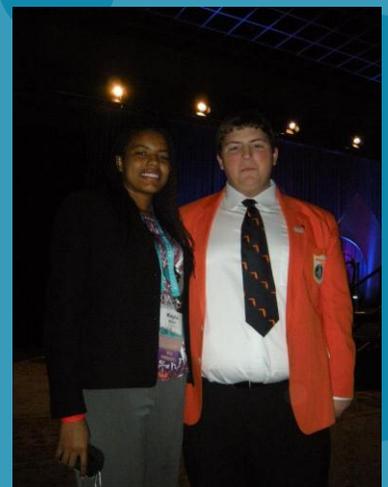

Congrats guys! School is almost over! Summer is right around the corner and exams are almost done. Even though school is out service is still in session and stronger than ever. Summer is the best opportunity to build up those service hours.

Though some officers and members might be gone on summer trips, I still advise you remaining few to still plan services and meetings to keep informed.

They are many different services that can be held during summer that is very easy and fun.

I advise that you all start planning summer services from now, before school finishes. It will be very hard to plan service projects when everyone is gone their separate ways.

I am currently planning a summer social/ DCM for next month. I will have more info for you guys in my next newsletter!

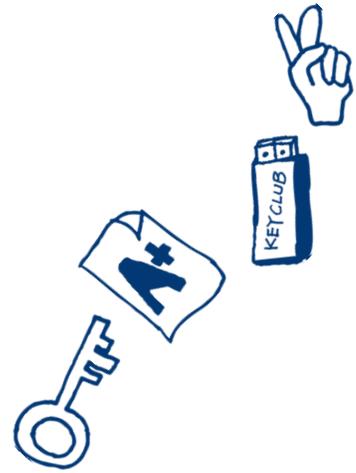

Assigning Leaders

As you all know school is almost out and many of us are going on our summer trips. As said in the page before; service events should be done and also Pride Reports should be submitted on time.

I would advise that within your club assign responsible and reliable members to assist the officers or plan and host service projects.

Please officers, do not let your club down during summer. Keep in touch with members and officers who are still here and assure that Pride Reports and services are still being done.
