District Governor Azar visits the Turtle Farm.

# Motto

**Caring...Our Way of  
Life**

I pledge on my honour,  
to uphold the objects of  
Key Club International, to  
build my home school  
and community, to serve  
my nation and God and  
to combat all forces  
which tend to undermine  
these institutions!

# Pledge

# District Governor's Visit

"The Key Clubbers are awesome!" the exact words from District Governor Azar himself regarding all of you, the Key Club members of Division 25B-Cayman Islands! During his stay in Grand Cayman the District Governor was greatly impressed by all of you and the spectacular work of our Division! You should all be proud of yourselves! No person alone completed all this work, we all did this together as a team! Let's keep it that way! I wanted to thank all of you, the members who participated in the Safety Day- Governor's Project on March 5th! The kids enjoyed it and even the parents went away learning something. The Governor's Dinner also went very well! I also wanted to thank the members of the Governor's Project committee as well as the Kiwanis club of Grand Cayman for their great support! :)

# Car Wash

Car Wash this Saturday March 19th, 2005! From 8-2:30 pm. It's going to be at the Burger King on Seven Mile Beach, all funds will be going towards District Convention for all the schools. So please make sure to come out! This is one of the best way to fund-raise. The price per car is \$10 and \$15 for an SUV, as well it's another \$5 to vacuum.

## Spring Regional Rally

DCM- Feb!

# Governor's Welcome Dinner

*Division 25B - Cayman Islands Welcomes  
Azar Boehm, Florida District Governor  
Key Club International*

# Safety Day

# CONVENTION

# Fundraising

District Convention is slowly approaching! Within a month we will be entering the Rosen Centre Hotel for a Weekend to Remember! If you will not be attending District Convention this year, remember that there is always next year! Also remember that International Convention is in July, so you may have a chance to go there as well! If anyone has any questions at all about District/International Convention just give me a call!

I know you must have heard this word a hundred times, especially from me! However we cannot procrastinate any longer! District Convention is in a month! At my DCM this Friday I will be giving you the info on the estimate of the flight arrangements to Tampa. The Kiwanis will be paying for our bus ride from Tampa to Orlando from there. So find as many ways to fundraise in your school, examples, car wash, bake sale, raffles galore!

# DCM

DCM this Friday March 18th, 2005! At St. Ignatius High School 3:30-4:30. Room B1. I might also remind you that this meeting, like any DCM is MANDATORY for all officers! Also, if you will be attending District Convention you will also need to attend this meeting! I understand that some schools close half-day on Friday, but for now the current time will be 3:30-4:30. If there are any changes in the time I will be sure to inform your President.

Remember that when your club holds a project or does some service send the photos so they can be included in the next newsletter!

# Closing...

After the District Convention in 2004, my only goals, hopes and dreams were for my club. To prove the strength of the growing club in convention. Things changed. The fate and destiny in all our lives changed and our lives were abruptly thrown off course in September 2004. There I took my post as Lt. Governor. At first I was nervous, worried and greatly unsure of the future of our clubs in Cayman. But all of your encouragement was so contagious that eventually all we could do was to look for a positive future.

In my October newsletter I said that we now have 2 options that we can take. We could have hidden in the darkness avoiding all the disarray of our environment, or take advantage of the number of opportunities standing in front of us to build anew our homes and lives, and to make a positive impact in our community. I am proud to say with all my heart, that we proved ourselves! We accomplished our goals and have made a huge impact on our communities, schools and country. Key Club is no longer just another service organization, we are the elite, we have proven to everyone that by being teenagers we can still make an impact and can still make a difference. We have proven, that we are no longer another simple addition to a resume of extra curricular activities, we have proven that we are truly a humanitarian group looking out for the benefit of our community. We have made such a mark that we have not only impressed our Kiwanis club, but all the other service organizations in the Cayman Islands.

Need proof? Just take a look at all that we have done! A tsunami fast, garbage-clean up by the airport, sold Santa Hats with Kiwanis, Santa's landing, Car wash for Tsunami Aid, numerous bake sales for causes such as the Humane Society, and Red Cross. Plus so many more projects.

This year, I thought we would be REAL lucky if we were able to send anyone to Convention, well, we seem to be sending the largest group ever! Unlike other divisions we may not have had the larger time span for larger projects, but there is a reason for everything. I believe that we all had this tough year, so as to prove to not only others, but ourselves of what we are made of.

I have no regrets this year, I have made mistakes, and I have learnt from them. I am truly glad that I was so blessed to have such a supportive division. A division who was understanding and optimistic. And here I thought that I was the only Key Club nerd! Lol. At just about every event the majority gave 110%. I myself was astounded at how many of us there is...!

Of course how can I not mention Kiwanis when I brag about Key Club? I am so thankful to our Kiwanis club for all their support and advice through these several months! Its probably one of the last things they want to do, being surrounded by 30-40 Key Club members, but they always supported us regardless.

Thank goodness for computers because you won't have to see smudge marks from the tears I'm crying right now. I am simply so proud of being a member in this division, and I hope that the future only holds higher goals for us to accomplish and more service to spread.

After the storm we were a scattered division but because of all our hard work we are now a bud that is full bloom. Spreading vast fragranced petals of pastel colours of the rainbow through the centre of a small garden hidden away in the Caribbean sea. I have full faith in the Lt. Governor Elect, Elizabeth Charles, who I'm positive will make our Division proud next year!

I would just like to say thank you first of all, to all the Key Clubs in Cayman. To all the officers who had to put up with my constant nagging, lol. To members of the Kiwanis club, especially Ms. Linda Chapman, Mr. Roger Bodden and Mr. Ruud Van Der Plujim. I also wanted to thank District Governor Azar, and Dr. Taylor for all the support they gave me from the very beginning.

So when we stand at District Convention and bellow out the National Anthem and Song, stand tall and sing loud, so that all will hear of us. Finally, another request is that when we are in Convention don't just cheer for your club, cheer for all the clubs in our division, because we are just like a family, and in our family let's support one another and party together! Remember, even outside Key Club, if you ever need anyone to talk to...I'm here for u!

Lots of luv,

*Ridhima Kapoor*   
XXXXXXXXXX 

Ridhima Kapoor  
Lt. Governor of Division 25B- Cayman Islands  
Florida District of Key Club International

**Last newsletter, last month before Convention, but this certainly won't be the last you see of me lol!**
