"Jacie's Monthly View"

Hello Leaders of Division 26D,

I hope all of you are settling well in the new school year with all of your Key Club duties. I know as the school year continues to fly by, our work load will get harder. But remember to relax, prioritize and **Eat the Frog First!** Meaning don't procrastinate. But time surely has passed by so fast already! Thank you to all of those who came out to the Key Club Kick-off Conference (KCKC)! It was a blast, filled with so many laughs and memories. The Recap of this event will be on page 4 of this Newsletter. Go check it out, you might see yourself!. On October 1st, the Special Olympics event took place, so for those of you who got the chance to participate, I hope you enjoyed your time. On October 26, 2016 we will be having our October Divisional Council Meeting (DCM). Mark your calendars from now. At the October DCM, we will be cleaning Dart Park, so be sure to bring a garbage bag and gloves. More information can be found on page 6. I am looking forward to seeing what each of your clubs can accomplish throughout this next month! Be leaders of service!

**Yours in Service,
Lieutenant Governor Jacie Mascarenhas**

Funds for Key Club

Club Dues

Club Dues are an important part of being a Key Club. It officially registers your club in the Key Club International Roster. Below are a few goals for our Division concerning Dues.

- ◇ Dues were suppose to be collected by October 1st, to ensure that your club is eligible for the Early Bird Patch. If some members have not paid please collect the dues by this upcoming week.
- ◇ Dues are \$15!!

The Endowment Fund

- ◇ *What is the Endowment Fund?* It is a fund that helps to lower the cost of DCON as well as provide Key Club Scholarships to seniors.
- ◇ *What is the Endowment Goal?* We have a five-year plan to put 1 million dollars in the Endowment Fund.

Together we can do it!

FLOF

The **Florida Opportunity Fund (FLOF)** is a grant for service projects available only in the **Florida District of Key Club International**. FLOF can give clubs up to 2/3 the money necessary for service projects; however, schools must provide the rest. You can receive ranges from \$100 to \$1,000. Your club must be in good standing.

YOF

The **Youth Opportunity Fund (YOF)** is **Key Club International's** grant program for service projects. You can receive funding for projects between \$100-\$2000 once a year. Divisional projects do not receive this.

KCKC Recap

The Key Club Kick-off Conference took place on September 10, 2016 and it was a blast! I got to meet new people around our division, and I hope you did as well. Around 50 Key Clubbers and Kiwanians attended KCKC, not to mention even some parents! The dog toys were a huge success. Maybe you can do it in your own clubs. I had so much fun at KCKC and am even more excited for Spring Zone Rally on March 18, 2017! Our very own District Governor, Martha Grace Hagan, will be joining us!

Leaders of Service

- ☺ All proceeds collected by the Kiwanis family from Trick-or-Treating for UNICEF will go towards The Eliminate Project .
- ☺ Check out the Trick-or-Treat for UNICEF service guide on our website under the Service Projects tab on the Documents and Resources page <http://floridakeyclub.org/resources/>

How many of you like to go Trick or treating?

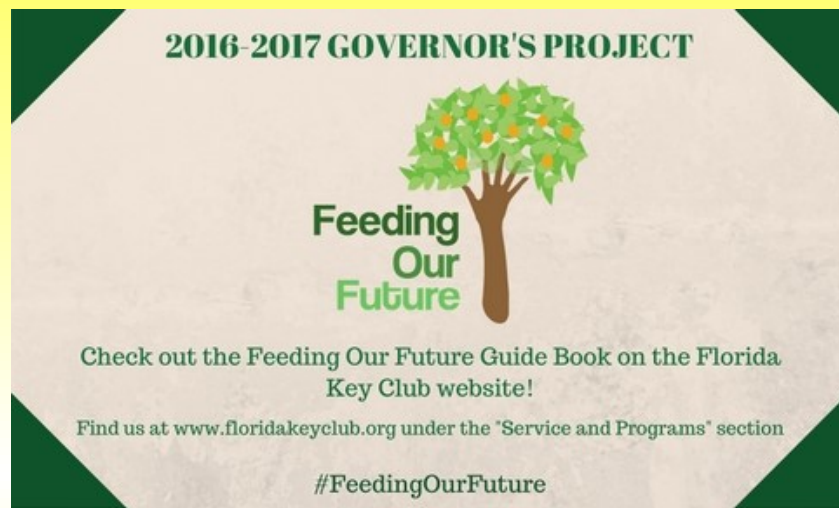

Trick or Treat for UNICEF gives you the opportunity to dress up as your favorite character and raise funds to donate to a good cause. UNICEF uses the funds raised from this project towards the Eliminate Project. If your club does not have the boxes for this project, contact your Kiwanis Club and inform them that you need boxes.

Get involved with this year's Governor Project!

Feeding our Future is all about helping the homeless and hungry. There are many people who are struggling all around Florida and the Cayman Islands. Feeding our Future also has to do with feeding the mind of children with education.

Different projects your club could do are :

- PB&J-athon
- Soup kitchens
- Food drive

Key Club meet Thirst Project, Thirst Project meet Key Club!

What is the Thirst Project?:

- The Thirst Project is a non-profit organization aimed at teens to help build wells in Africa. Many places in Africa do not have an adequate supply of drinking water. From the unsanitary water, many people develop diseases such as:

How are we getting involved?

- At KCKC, I handed out envelopes with information about the thirst project. I challenge each of you to raise \$50 by the time Spring Zone Rally comes around. You can ask people to donate or save up for it. It's up to you! Just imagine how many lives we could save!
