KCKC was a huge success!

I hope you all enjoyed yourselves and learned new things from the workshops provided.

At KCKC we had special guest speaker, Mr. Elroy Bryan, principal of the Lighthouse School. I hope you all were just as inspired as I was with his speech.

I can't wait to see all the pictures from the service projects we did!

**Key Leader!**

I got back from an excellent Key Leader and had a great time meeting new people and building on my leadership skills. I had the opportunity to be a student facilitator and learned different things from the other student facilitators in my neighborhood; as well as everyone who attended Key Leader.

"The fun and friendships never stops here!" - President Alle Ann of JGHS Key Club.

"Inspiring, astonishing, productive and fun!" - Shakur Ebanks past Distinguished Vice President.

"I thought It was cool because I got to see the student facilitator's point of view. Key leader this year was very lively because of all the new participants." - Alison Parsons Key club member.

# THE IMPACT OF GIRL LOVE

Last year, the world came together with Lilly Singh to spread #GirlLove and break girl-on-girl hate. #GirlLove goes beyond positivity and community—it empowers everyone with confidence and the resources to become incredible leaders.

This year, we band together. We aim higher. The new #GirlLove Rafiki is part of Lilly's birthday goal to help girls in Kenya go to school.

## Girl Love

Dear Division 26D,

This is a project that I came across while watching Lilly Singh, a famous YouTuber also known as "Superwoman". She has partnered up with an organization called Me to We to help girls in Kenya attend school. I believe this is a great way for us as a division to really help girls in Kenya get an education.

Presidents and Vice-presidents, please promote this project in your individual clubs and if anyone is interested please fill out the form that will be attached below. Also, share the newsletter that I will be sending with more information regarding the Rafiki's prices and the deadline you must meet.

Thank you all so much and I hope this project will be a huge success!

### The Issue

Maternal and neonatal tetanus is a terrible tragedy. In countries where people lack healthcare education and services, a baby can be infected with tetanus during birth and can die within days. That short lifetime is agonizing—a

heartbreaking struggle to breathe and to cope and marked by convulsions triggered by the slightest sound or contact. But this disease is easily preventable.

### **The Eliminate Project**

The Eliminate Project will support elimination of this swift, painful and highly preventable disease. More than 100 million women of childbearing age need to be vaccinated to protect them and their future newborns. An average of \$1.80 will provide 3 doses of vaccine, syringes, safe transport and storage, education of communities, training of health workers and more. This global campaign will protect the lives of millions of mothers and their future newborns.

## What is the Endowment Fund?

*Funding opportunities for servant leaders.*

The Florida Key Club Endowment Fund was established to provide college scholarships and funds to reduce the cost of the annual District Education and Leadership Conference (DCON). The Endowment Fund focuses on funding opportunities for Key Club servant leaders and will fund at least ten scholarships, nine of which will be \$2,000 each. In fact, over the next five years, the Endowment aims to grow to more than \$1 million and to eventually provide dozens of scholarships. As the Endowment grows in future years, the number of funded scholarships will increase. However, this goal will only be possible with your help.
