Issue 5, September 2012

## WELCOME BACK!

Hello Division 25B! I hope your summers were amazing!

The start of the school year is always rough when it comes to getting your club off the ground. Two main areas which you need to focus on to get your club going is collection of dues and membership recruitment!

My goal for our division in regards to dues is to have all clubs get Early Bird Dues, which means dues must be submitted before **November 1<sup>st</sup>**.  
☺

When it comes to member recruitment, there are many techniques such as:

- Having refreshments
- Doing assembly presentations
- Having "bring a friend" meetings
- Having fun activities/service projects at meetings
- Putting up flyers in school

Please also check out our District's newly recreated and improved website [www.floridakeyclub.org](http://www.floridakeyclub.org) for many useful resources!

# KeyLeader!

Every year the Kiwanis Club of Grand Cayman hosts a leadership program called KeyLeader. KeyLeader is an awesome program, as it not only helps develop your leadership skills through fun activities and challenges, but also brings you closer with other Key Clubbers in our division!

KeyLeader is a weekend of fun and leadership, and is being held this year from October 19-21<sup>st</sup> at St. Ignatius—yes, that does mean that you sleep, eat and shower at the school! Registration is \$25 and it is open to anyone, meaning Key Club members and non-Key Clubbers alike!

For more information, speak to your club's Faculty Advisor or Kiwanis Advisor! 😊

### DCON Committee Blurb

It was recently decided to rename "District Convention" to the "District Education and Leadership Conference". The conference provides attendees with opportunities to socialize, but its main purpose is to educate our members about service and leadership.

The DCON Committee has been frantically working to provide attendees of the 75<sup>th</sup> annual conference with a weekend packed full of fun and education.

Attend your Zone's KCKC to find out what this year's theme is and get more info.

## Secretaries

September is an important month for this Key Club year. From Key Club Kick-off Conferences to Pride Reports, September will be a busy month. Summer Pride Reports which consist of the months June, July and August is due September 10th. Refer back to the August and September newsletter for tips on how to successfully fill the Pride Report out. If you need any help with the report please feel free to contact me. As the Key Club year continues make sure to be updating your Officer Information Forms. These forms are a crucial link between the District and your club. If these forms are outdated, the District will not be able to send your club important information: dues, pride reports, The Eliminate Project, The Home project, etc.

Explore the new and improved Florida Key Club website ([www.floridakeyclub.org](http://www.floridakeyclub.org)). Here you will be able to find important information about the Florida District and will be able to access the OPR system. You can also find many great secretary resources under documents and resources. These resources will make filling out the pride report and your job as secretary easier.
