Committee Blurb

It might be time for April showers and the end of the Key Club year but that doesn't mean you have to stop doing the Governor's Project. The **Mentoring and Modeling Program** is an easy, impactful project that everyone can enjoy by teaching a child a lesson. Help Governor Doug reach his **goal of 25,000 hours** with M&M and record it in your final Pride Report by April 10th!

Need ideas? Check out the guidebook at www.floridakeyclub.com. Let's go out this year with a bang by serving the children of the world!
