School will be starting back at the end of this month so I have listed some service projects you could do at school safely.

- Start a pen pal program with new students

- Clean up your school grounds
 - Hand out encouraging notes to students
 - Plant trees at your school or start a garden
-

Please share your clubs recent service projects with the Florida District!

District Service Survey

Kudos to John Gray that created inspirational posters for the students sitting exams this year.

John Gray also donated funds to one of the groundsman who was not working during the lockdown.

Kudos to Triple C that wrote positive messages on a walking track.

Our August Divisional Council Meeting (DCM) will be on Saturday August 15 at 3:00pm. I highly recommend that all members attend this DCM. Please RSVP using the link below so I can anticipate how many people will be attending.

Although COVID-19 is still around there are many ways to continue engaging your members. Think about planning a virtual social or club meeting to get new members or retain the old ones. Platforms like Zoom and Google Meets are easy to use and free.

Your club can always host service projects virtually or even some in person while social distancing.

Below are some service projects you could do this month.

- **Clean up your neighborhood-** On your next walk around your neighborhood, bring gloves, a trash bag, and collect trash
- **Chalk on a walk** - you can spread positivity by writing kind messages on sidewalks using chalk
- **Read to kids virtually** - film a video of you reading a book and send it to younger children in your community
- **Donate school supplies** - collect school supplies to be donated to less fortunate children

Key Club Kick-Off Conference (KCKC) is an annual Zone-wide event kicking off the new year. This incredible event includes workshops and training sessions that will help you have a successful Key Club year. It's also a great way to meet Key Clubbers across our entire zone!

Zone K's KCKC is going to be held on October 10. As soon as I get more information, I will contact you all. I can't wait to see you at KCKC!

Club bylaws are the basic structure of how Key Clubs should and must operate. They are the ultimate resource a club should utilize in order to understand the responsibilities of running their club.

Each year, club bylaws must be updated! Make sure your club does so as soon as possible.

Steps:

1. Go to the Florida Key Club website by clicking the link below. Go to Club Building and Improvements then select Club Bylaws.
2. Fill in the name of your school and how much is collected for your club dues, review over all aspects of the template and update them (if necessary) with your board members and advisors.
3. Get it signed by your school principal and sponsoring Kiwanis Club President (if applicable).
4. Scan and send a signed copy to Kiwanis International (slpcharter@kiwanis.org) and CC me (2021division26d@floridakeyclub.org) on the email!

Florida Key Club Website

With the beginning of the 2020-2021 school year, your club will also begin to collect dues!

Dues are KYD \$15.00 per member. Your club is welcome to set its due price higher and retain the additional money for club costs, t-shirts, etc.

I definitely recommend turning in dues by **November 1st, the Early Bird Deadline.**

The standard dues deadline is **December 1st**.

Once you have collected your dues our Kiwanis Club will collect them and send it to international.

Dues Information

As you know, Officer Information Forms (OIFs) are forms which log your club's officer contact information.

Thank you for 100% OIF Submission!

Secretaries, please be reminded that July Pride Reports are due on August 10th! If you ever have any issues with your reports, please contact me!

If your club was unable to complete service hours due to COVID-19, please state this in the comments section.

Governor Joey’s Keys For Kids project aims to empower a generation of life-long leaders and unlock a better future through spreading kindness, encouraging leadership, making connections, and supporting children in need.

GOVERNOR JOEY'S PROJECT IS...

Keys For Kids!

- UNLOCKING A BETTER FUTURE -

K

KINDNESS TO KIDS

Motivating future leaders through doing acts of kindness and spreading positive messages!

Service Projects:

- High school survival kits
- Positive sticky-notes on students' lockers
- Mental awareness posters
- Letters to younger students
- Chalk-up your school with motivational messages

E

EMPOWERING FUTURE LEADERS

Empowering our current youth and fellow students to become life-long leaders of the world. This is the overall goal of the entire project.

Through Keys For Kids our future will be better and led by confident and strong-minded individuals!

y

YOUTH CONNECTIONS

Connecting with K-Kids (Kiwanis Kids) and Builder's Club programs near you and collaborating on projects in order to encourage future service with Key Club.

Service Projects:

- Any project done in conjunction with Kiwanis Kids or Builder's Club programs in your area
- Mentorship programs with our younger Kiwanis branches

S

SUPPORTING CHILDREN IN NEED

Supporting children in need through projects that directly help improve their lives!

Service Projects:

- Care packages for underprivileged children
- Hosting meaningful celebrations for foster children in your area
- Inclusive leadership workshops
- Making blankets for your local children's hospitals

I encourage you all to connect with our sponsoring Kiwanis Club, The Kiwanis Club of Grand Cayman by attending their club meetings and partnering with them for service projects.

Key Club has partnered with UNICEF through The Eliminate Project to end the fight against maternal and neonatal tetanus!

Trick-or-Treat for UNICEF is a fun way for Key Clubbers to raise money for The Eliminate Project throughout the month of October. Start thinking about fundraising ideas to help such an important cause.

TRICK-OR-TREAT FOR UNICEF

WHAT IS TRICK OR TREAT FOR UNICEF?

Trick or Treat for UNICEF is a campaign to raise money for the ELIMINATE Project. The ELIMINATE Project is dedicated to the elimination of Maternal/Neonatal Tetanus. Maternal/Neonatal tetanus, a disease that is contracted during childbirth due to an unvaccinated mother being exposed to unsterile instruments and contact with the ground or other unsanitary objects during birth. Infants infected with tetanus experience intense pain due to convulsions that are triggered by a heightened sensitivity to light, sound, and touch that usually cause the baby to die after about a week.

HOW CAN I HELP? WHERE CAN I GET MORE INFO?

WHAT IS OUR GOAL FOR THIS YEAR?

This year our district has the goal of raising \$37,271.15. That's \$877,41 per division! It costs only \$3 to save the lives of a mother and her children, which means reaching our goal would help over 12 thousand mothers! So don't wait... ELIMINATE!

This information was made and provided by the International Relations and Trick-or-Treat for UNICEF Committee

Your club can receive money to fund service projects through the **Florida Opportunities Fund (FLOF)** grant. The FLOF grant gives your club 2/3 of the cost of the service project, from \$100 - \$1,000. I recommend starting your application now before school starts so that your officers have plenty of time to fill out the application!

Starting June 1st, you may fill out applications for service projects occurring after October 1st. Click the link for the application!

The July-August Issue of *The Sunshine Source* was just released on the 1st!

This issue contains lots of great back to school information, Key Club resources, and inspiring club spotlights!

I encourage you all to check out the Cayman Islands Spotlight on pages 18 and 19 where one of our clubs and our divisional service project are featured.

If your club wants to be featured in the next issue, make sure to [email District Editor Cydney Socias](#).
