Lieutenant Governor Introduction

Hello Leaders of Division 26D,

Summer vacation has finally arrived!

As your Lieutenant Governor, it is my responsibility to represent our clubs to the Florida District. Through Divisional Council Meetings (DCMs), and service projects, I will inform you of key news involving Key Club, train club board members, and work alongside our sponsoring Kiwanis Club to serve our home, school, and community.

Be sure to continue to hold board meetings over the summer and to plan for upcoming school year. Let's make it a great one!

If you ever need assistance or guidance, please do not hesitate to contact me through my email (division26d@floridakeyclub.org), or my phone number ([345-322-6715](tel:345-322-6715))!

Yours in Service,
Beatriz Bueno Dorea

The Eliminate Project

Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus, through the global campaign of The Eliminate Project.

You, as a Key Club member have the opportunity to save lives.

India has now eliminated MNT! To eliminate MNT from the Earth, more than 100 million mothers and their future babies must be immunized.

By helping raise money for The Eliminate Project, you can save a life for just \$1.80.

ICON Recap

The 2015 International Convention (ICON), the biggest event of the Key Club year, was held in Indianapolis, Indiana. We had the opportunity to share innovative service project ideas, listen to amazing speakers, elect the new Key Club International Board, celebrate 100 years of Kiwanis, and more!

Congratulations to Rip Livingston, our new Key Club International President, and Addison Clippell, Key Club International Vice President. Also, congratulations to the following Immediate Past District Governor, Secretary, Treasurer, and Editor for receiving distinguished awards: Lauren McAllister, Alexandra Sanchez, Nick Azcarate, and Katt Crowdis. Lastly, but certainly not least, congrats to Dominique Small, Immediate Past Lt. Governor of our division for receiving the Robert F. Lucas award!

The Florida District went on the Florida Tour, which included: Stone Mountain, Louisville Slugger Museum, Kings Island, whitewater rafting on the Ocoee River, and more!

It was an incredibly rewarding and extraordinary experience, and I cannot wait to share it with you.

Summer Service

Summer is finally here! It is time to rest, but also, to continue to serve our home, school, and community.

Potential summer projects include: car wash, beach clean-up, volunteering at a marathon, helping to school to paint and organize, visiting a retirement home, reading to children at the Kiwanis Book Mobile, and more!

Moreover, it is crucial that clubs continue to meet during the summer. Clubs should definitely host at least one board meeting during summer months. It is vital that everyone is on the same page, and up to date on all topics.

Enjoy your vacation, and be sure to enjoy yourselves under the sun with the awesome Kiwanis family.

Officer Information Form

Congratulations to all clubs in our division for 100% Officer Information Form (OIF) submission!

The Officer Information Form (OIF) is a form that helps the District to contact you, shows that you are executing your duties, and proves that you are an officer. Most importantly, it also allows you to submit the Pride Reports.

Be sure to update and submit the OIF if needed.

Keep up the great work!

Pride Report

The Summer Pride Report, which includes the months of June, July, and August, is due by September 10th.

Thank you to all club secretaries, Ashlyn, Michael, Greysell, Elijah, and Keilah for submitting all pride reports so far. Keep it up!
