2. Summer Service Idea

The school year is coming to a close but service still continues! The Summer Service Project was decided through the Buddy system at our May DCM. Each team worked together and came up with some ideas and explained why their ideas should be selected and used based on the criteria below.

- How will it benefit the Cayman Islands?
- How will it allow the Division to work together?
- How can we involve our Kiwanis Family (other branches)?

The Key Clubbers idea selected was President Kabira Palmer and Vice- President Sarvesh Sobrun of the Key Club of John Gray High School. The suggestion was to volunteer at a chosen Vacation Bible School or Summer School Program or provide supplies such as crayons, pencils, erasers, etc. to a Vacation Bible School or Summer Program. More information will be provided in Leah's Updates.

3. Club Officer Training

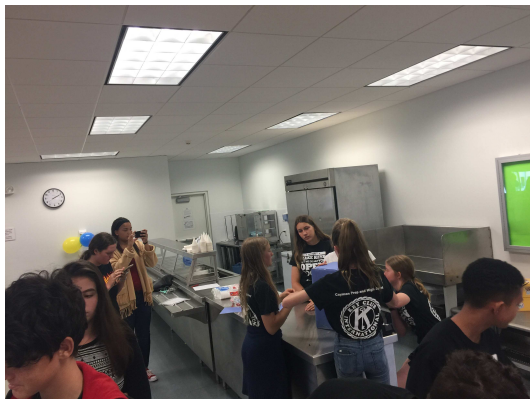

Club Officer Training session will be held at our next Divisional Council Meeting (DCM) in June, for those who missed the training in April.

4. May Divisional Council Meeting Recap

Thank you to all five clubs of Division 26D for attending the DCM.
Thank You to Cayman Prep and High School for hosting and
decorating the venue.

At our second DCM in May the Presidents gave a report on their clubs, we also discussed future divisional projects, in addition we played many games and participated in bonding activities and got to know each other. We participated in a Divisional Project, where we carried books to donate to the Kiwanis Book Mobile. We then wrapped and packaged the books collected and presented them to Kiwanian Mr Rudd Van Der Plujm.

5. Goals for the New School Year

- In the month of May I visited 3 out of the 5 Key Clubs of Division 26D, John Gray High School, St Ignatius and Cayman Prep and High School. My goal is to visit the clubs of division 26D at least once during my term.
- Another goal I have is to have a fellowship activity each month because it is really important that all clubs know each other which will then lead to ease in communication which can then promote inter-clubbing amongst the Division.
- Another goal I have is to have at least six DCMS in my term as Lieutenant Governor.
- Another goal I have is to have each club increase membership growth by 5%. Below is the number of members each club should increase by.

Cayman Prep and High School- 2

Clifton Hunter High School- 2

John Gray High School- 3

St. Ignatius High School- 2

Triple C High School- 2

6. Governor Sohayla's Project

Your 2018-2019 Florida District Governor, Sohayla Eldeeb, developed the Governor's Project "Keys to Educate." Her Governor's Project strives to cut down the illiteracy rate and to provide more attention to foster children, juveniles, and those in special education classrooms. Therefore, several service projects could fall under this umbrella, such as a donating school supplies, tutoring, and volunteering in programs that deals with students of low socio-economic status. Furthermore, when you fill out your Pride Reports, you can mark projects under the Governor's Project type if it meets the criteria.

7. Club Of The Month

Each month a club will be highlighted as the Club of the Month. On the 20th of each month you are asked to send why your club should be selected as the Club of the Month via email division26d@floridakeyclub.org or WhatsApp +1 (345) 322-8704 based on the following criteria.

Criteria:

- What project(s) has your club done this month that was truly outstanding that you think that your club should receive this title as the Club of the Month?
- What puts your club apart from the other clubs, who will also be running for this title?

The Club of the Month is listed below.

Congratulations
