Fun Facts

1. A tarantula can live without food for more than two years.
2. A flea can jump up to 200 times its own height. That is the equivalent of a human jumping the Empire State Building.
3. If you started with \$0.01 and doubled your money every day, it would take 27 days to become a millionaire.
4. Hamsters run up to 8 miles at night on a wheel.
5. If 33 million people held hands, they could make it all the way around the equator.

"Please notify your clubs that the February Pride Report, like last year, will be due March 5th instead of the 10th. This goes for any other reports that clubs might want to update." - District secretary Joshua

Celebrating 80 Years of Key Service!!

This theme will set a tone of reflection and reminiscing about our district's past while striving to inspire us for the next 80 years.

Together we will look back at what really makes us the Mighty Mighty Florida District. This will be our 80th District Conference and as far as I am concerned the most successful and iconic yet.

Celebrate with us and two thousand two hundred dedicated student leaders from Thursday, April 5 to Sunday, April 8, 2018.

Where will it be held you ask? It will be held at the Rosen Shingle Creek Resort in Orlando, Florida.

RSVP to our festivity by registering before February 21st! Registration opens up on December 1, 2017 at floridakeyclub.org/dcon. The DCON Committee will be updating and uploading a multitude of resources to help you through the registration process. This RSVP includes 3 nights of celebration, breakfast, lunch and dinner, along with a party favor which includes a t-shirt and a drawstring bag.
