***Florida Key Club of Division 26D***

---

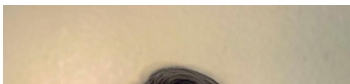

***Dear Division 26D,***

I had the distinct honour to be elected as your 2019 - 2020 Lieutenant Governor! I am 15 years old and in my sophomore year at John Gray High School. Born in Mauritius and raised in London, I moved to the Cayman Islands about 1 year and 7 months ago.

I'm anxious but very excited to be working with all of you this year to continue making your clubs and our Division outstanding with the help of you all! My main goal throughout this year is to build an even stronger relationship between the five clubs and improving our communication with each other.

***Welcome to my first MEB for the year! Please take the time to read it and if you have any concerns or questions, do not hesitate to contact me!***

**HAPPY READING!**

***Yours in service,***

**Dayanah Sobrun**

*DCON Recap*

Division 26D!

The **81<sup>st</sup> annual District Convention** was a memorable experience for everyone! We had a great time interacting with other members from the Florida District, listening to the Key Note speaker, Zone G Administrator Gary Frechette (OH YEAH), and congratulating one another at the awards assembly. The event was topped off with at the emotional Banquet where District Officers retired as they Installed the new District Board, and finally, we all danced the night away at the Ball. The following persons got elected for the following district positions at DCON this year: Stara D'Haiti for Governor, Jocelyn Hurst for Secretary, and Aamir Lacewala for Treasurer.

## You are invited to ICON 2019!

### **ATTENTION ALL KEY CLUBBERS!**

The **76th annual Key Club International Convention** is only a few weeks away! The 2019 ICON is being held at **Baltimore, Maryland from July 3-7 2019** and the Florida District will be extending our stay to tour the wonderful sights of **Washington D.C and Mont Vernon!** ICON is a vital experience to the Key Club experience as you get to listen to motivational speakers, interact with other Key Clubbers from across the world, train for your positions, have fun and so much more! If you do plan on attending ICON this year, I strongly recommend to start looking into the cost of ICON and planning fundraisers with your clubs accordingly. ## A Key Clubber's Duty

Key Clubbers have a very important role, especially if you are an officer for your club! In the link below, there is a video and short descriptions of all your roles as an officer. Please ensure that you read through this carefully and understand what is expected from you! If you have any further questions about your positions, please do not hesitate to contact me :) no matter how silly the questions may sound!

### Club Officer Positions

## OIF / OPR

**Thank you to all the Clubs for updating their Officer Information Form (OIF)!** I urge all the Secretaries to look over the information again to ensure ALL information is correct! Always ensure that the OIFs are up-to-date! Keep in mind that although secondary positions are on the OIFs, our Bylaws and Awards program recognise only one of each of these positions. *For example, only one secretary can apply for Distinguished Club Secretary.*

### **REMINDER TO ALL CLUB SECRETARIES!!**

***March and April Online Pride Reports (OPR) are due by the 10th of May!***

You all know how important OPRs are, so please do not forget them! You can access the OPR through the link attached below. *(From there, you may also access the OIF!)*

# Eliminate Week!

Since 2010, Key Club members have teamed up with the entire Kiwanis family and UNICEF to help save and protect women and their future babies from tetanus with The Eliminate Project. Help protect these families that are suffering by participating in Eliminate Week! More information is in the link below.

## Eliminate Week!

While I was scrolling through Key Club International's Facebook page, I was surprised with the wonderful, heart-warming news that MNT is finally Eliminated in Chad! This made opened my eyes even more and showed that we, in fact, can make a difference globally!

## *Finishing Strong*

The academic year is coming to an end and soon we will all be going off for the summer! But this doesn't mean that the service ends with it. I strongly encourage you all to give back to the community in as many ways as possible and whenever you can! I know that exams are approaching very soon so I made a list of little things you can do!

- Attend Clean Ups
- Advocating for Mental Health as May is Mental Health Month
- Volunteer!

The little things matter too!

- Pick up any rubbish and throw it away (Encourage your friends and family to do the same!)
- **Reduce! Reuse! Recycle!**
- Turn off the lights when leaving a room
- Unplug any plugs from the sockets if not in use!

If you would like to find out other ways that make the little things matter, click on the link below!

**Protect The Environment!**

## *End of the Year Service Project*

This month I will be hosting a Divisional project for the End of the School Year. This will be taking place during the DCM. Look out for future emails from me! They will contain more information concerning the divisional project, please read them carefully to know what materials to bring!
