1. Service Projects

Outfit your community

One fantastic way to help local families in need is to organize, volunteer for, or donate by hosting a clothing drive at your schools. You can talk to your school leaders about local women and children's shelters such as Estella's Place and Red Cross by simply taking inventory of gently used clothing that no longer fits you or your siblings and bring it to one of the organizations below.

Estella's Place- +1 345-943-2422

Cayman Islands Red Cross- +1 345-949-6785

Donate kids' craft kits to a local children's hospital.**Organize a board game night at your local nursing home.**

Gather your friends and favorite classic games and plan a fun afternoon.

Decorate placemats for Meals on Wheels.

2. OIF Updates

Please be sure to update your Officer Information Forms (OIF's). OIF's should be updated if any changes occurred. Some emails are unable to send because of a custom mail flow rule, please use your personal email instead.

3. Dues

All members should pay CI\$15 for the whole club year, preferably before October 1 but no later than November 15. The Membership Update Center (MUC) is used to input and update membership information and will be open on September 4th at 11:00 AM (UTC-5). I expect every club from Division

26D to receive the Early Bird Dues Banner Patch. Please strive to have these dues sent by October 1st to reach this goal.

4. Promote Club Growth

This link leads one to the Key Club Store > Meeting Items > Literature tab where any Key Club member or officer can order **promotional materials for the new year**. These materials are **FREE** and included in our international dues.

The following infographics from the Membership Development Committee tackle membership growth and membership experience.

5. Fundraising Ideas

Host a tournament.

It can be basketball, softball, video game, pool, volleyball—any type of tournament! Have an entrance fee for individuals or teams. Advertising the tournament is the key to success of this event—start at least two months before. Be sure to have great prizes for those who win. You need to give an incentive for people who pay to enter a tournament.

Host a Talent Show

Many organizations host talents show for people to watch. Consider incorporating a television show theme like Dancing with the Stars, American Idol, So You Think You Can Dance, America's Got Talent, etc. Do not forget to recruit judges! This will need time and serious planning. Just like tournaments, be sure to have good prizes.

Create a calendar

Develop a theme for a special calendar. Approach a printer about offering a discount for printing the calendar and offer the printer advertising on the calendar. After the calendars have been printed, sell the calendars to parents, local businesses, etc. The price of the calendar should cover the printing and allow for more funds to support the club.

10. Trick-or-Treat for UNICEF

As a part of the Florida District's goal of \$105,000 US to raise for the Eliminate Project, the Trick-or-Treat for UNICEF Committee has created a goal for each member to raise or donate. Five dollars. That is, it! If each member of Key Club raises at least \$5 KYD, then we will easily meet our goal and surpass it!

Because of this goal, below is a chart of each club's member count and how much their club would raise if everyone raised \$5 KYD then the total of each.

Schools Name	Number of Members	Goal per Club (member count x5)

Cayman Prep and High School	34	170
Clifton Hunter High School	47	235
John Gray High School	52	260
St. Ignatius High School	46	230
Triple C High School	38	190
	217	1085

The most common way that Key Clubs raise money for the Eliminate Project is with Trick-or-Treat for UNICEF, in which students take boxes around their schools and communities asking for donations. This is an often-successful method for raising money, but you can also raise money with unique fundraisers. Please click the link below.

Fundraising Projects

I hope to see every school take part in fundraising for the Eliminate Project, an effort by UNICEF to end maternal and neonatal tetanus (MNT) around the world. For a video on the impact of MNT on the world, please see the video below.

13. Leadership Quote

A LESSON IN LEADERSHIP

LEADERS
BECOME GREAT
NOT BECAUSE OF
THEIR POWER BUT
BECAUSE OF
THEIR ABILITY
TO EMPOWER
OTHERS.

JOHN MAXWELL

A LESSON IN LEADERSHIP

Leadership is not about a title or a designation. It's about impact, influence, and inspiration. Impact involves getting results, influence is about spreading the passion you have for your work, and you have to inspire others.
