Lieutenant Governor

## Introduction

Leaders of Division 26D,

The school year has finally begun.

This past month, I've been in the process of concluding the plans for our upcoming Key Club Kick-off Conference (KCKC) and future service projects, and preparing for school.

It is my responsibility, as your Lieutenant Governor, to represent our clubs to the Florida District. Through Divisional Council Meetings (DCMs), and service projects, I will inform you of key news involving Key Club, train club board members, and work alongside our sponsoring Kiwanis Club to serve our home, school, and community.

Thank you once again to everyone who attended the August Divisional Council Meeting! Your enthusiasm truly made the day incredible.

If you ever need assistance or guidance, please do not hesitate to contact me through my email ([division26d@floridakeyclub.org](mailto:division26d@floridakeyclub.org)), or my phone number **(345-322-6715)**!

Yours in Service,

### Florida Key Club Endowment Fund

Dear Key Club Members,

The Florida District of Key Club International, Inc., is a 501(c)(3) charitable organization. Last year's District Board approved the establishment of an Endowment and set aside funds to support scholarships and grants which will begin this year. In fact, students may apply for more college scholarships than ever before from the Florida District of Key Club International, Inc. In the future, it is hoped that this endowment could help reduce the cost of the annual District Education and Leadership Conference (DCON), which could make it possible for many more members to attend.

Your current District Board created the Endowment Committee. This committee has been charged with helping to find ways of raising tax deductible monetary gifts in support of this fund, and establishing criteria ideas for granting funds to deserving students, clubs, divisions and projects.

The long-term goal is to raise US\$1 million in the next five years. The committee will be publishing marketing materials throughout the 2015-2016 administrative year, so be on the lookout for more details explaining how members, clubs, and families may both help and benefit from our endowment.

Yours in service,

Drew Valenti
